# BREAK THE TANGO

**TANGO MEETS STREETDANCE**

**23.-25.02.2018 MUSICAL THEATER BASEL WWW.BREAKTHETANGO.CH**

**20% discount**

What do you get if you cross tango dancers from Argentina, international break dancers and an electro tango band? "Break the Tango" is a dance show that brings together two completely different styles of dance, where tradition meets modernity and all the rules are broken.

While the tango dancers – including former tango world champions German Cornejo and Gisela Galeassi along with Ezequiel Lopez and Camila Alegre – elegantly glide across the dance floor, the athletic break dancers create a fusion of Milonga traditions. What at first seems like an impossible combination blends together as the show progresses to become a perfect partnership. "Break the Tango" combines two distinctive styles of dance and shows how fiery, explosive and thrilling the mix of tango and street dance can be. A live four-man band and singer accompany the troupe, performing hits from Adele through to Otros Aires.
